

5 Fun Facts about Robinne

- I used to teach with a 2.5-metre long Burmese python named Ka.
- I keep a collection of interesting beach rocks on my desk and use them as touchstones for writing.
- My favourite insects are weevils--a family of beetles with long snouts and cute little elbowed antennae. They play dead when they're frightened, which I find endearing.
- I make most of my own clothing...everything except socks. I'm terrible at knitting socks.
- I once delivered two goat kids in the middle of a dinner party.
